PETITION FOR EXTENSION OF TIME

payment of the extension fee. Any additional fee required, and any overpayments should also be charged to Deposit Account No. 50-1710.

RESPONSE TO OFFICE COMMUNICATION

In response to the Office Communication of August 24, 2004, which set a three month response period, Applicants provisionally elect Group III, Claims 18-39, with traverse. Traversal is on the grounds that a search of the art for one group of claims will necessarily include a search of the art for the other groups of claims. It is believed that the burden on the Examiner to examine all claims in a single application is less than the burden on the Applicants/public to prosecute/search more than one application/patent.

AMENDMENT

Please enter the following amendments.

I. Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

II. Remarks begin on page 15 of this paper.
